

FREEDOM HOOPS

RESIST PASSIVITY. ACCEPT RESPONSIBILITY. LEAD COURAGEOUSLY. EXPECT THE GREATER REWARD.

March 10, 2017

Friends and Family,

Spring makes us giddy!

Throughout the fall, winter, and spring our team at Freedom Hoops prays and plans for the most effective and God-honoring use of our intense 8-month season. Despite our zeal to engage and disciple urban youth to fight the cycle of fatherlessness, hopelessness, and under resourcing, we cannot change our urban youth's hearts' to know God. For true change, God must stir faith and move in our young men's hearts. Would you join with us to pray for the following?

2017 Prayer Requests:

1. **Life Transformation:** To see our young men transformed by the Word and the Spirit of God.
2. **Educational Achievement:** To pass all classes, complete ACT prep materials, take the ACT test, spend 10 minutes per night for online tutoring (Khan Academy), and read two books this summer.
3. **Safety:** Safety as we travel, play basketball, and perform service projects.
4. **Job Shadows and Opportunities:** That job shadows and opportunities would benefit our young men.
5. **Fireworks Stand:** Help our two young men learn hard work and entrepreneurship.
6. **KCMO School Partnership:** That God would continue to give us favor with gym usage, facilities, and the students at Longfellow Elementary School and Central High School in Kansas City, Mo.

We commit to pray for you as well, and would like to know how specifically to pray for you. Please let us know at the following link: freedomhoops.org/pray

Grateful for your prayers,

Michael Loney
