“CAN I WORK ALL WEEK AT THE FIREWORKS STAND?”

Tristan asked me this a couple of months ago.

“ARE YOU SURE? YOU REMEMBER HOW HOT IT WAS LAST SUMMER!?!?”

Tristan continued about:

1. **Fun:** How fun the fireworks stand was last summer.
2. **Selling:** How he learned how to be a salesperson.
3. **Conversation Starters:** How to make conversations with people who were different than him.
4. **Ministering:** How he was able to minister to an adult struggling at our stand.

Since then, he has been our number one salesperson to our own Freedom Hoops young men recruiting them to help at our fireworks stand.

Please pray June 26-July 4th for the following:

1. **Profit:** Maximize our profit to help fund our mission.
2. **Teachable Moments:** We can capitalize on teachable moments as we train our young men to run a small business.
3. **Exposure:** Pray God would use the stand to build our momentum with customers, TV, radio, social media, and even the Kansas City Star.

Tristan helps a festive customer have an amazing experience at our fireworks stand!
