

LETTER FROM SHAWNDALE KING

12/1/2022

Tell us about yourself:

My name is Shawndale King. I am a senior at Hogan Prep. My goals are to graduate with a 3.0 or higher GPA and get a college scholarship for basketball.

Why is Freedom Hoops important to you?

They help me with everyday problems and teach me how to deal with different things while teaching me about God. My life has been getting better every since I joined Freedom Hoops. I feel like I've become a smarter and better person and a better leader.

Why should someone consider giving to Freedom Hoops?

They are helping the community in ways other programs aren't and they are teaching kids things that they should know but they don't. I thank everyone who has given to Freedom Hoops and I thank Freedom Hoops for making me a better person!
